BBA requires ALL umpires to attend clinics each year regardless if you attended same level previous year. Each year new rules and information is provided to ensure our umpires are adequately prepared each season.

Please note, that taking the Level 2 clinic will not guarantee you will umpire Level 2 games (13U-AA or 15U-A) you will need to be assessed by UIC first.

Umpires are not permitted to umpire their own age group or siblings games, umpires MUST be one age level above age group being umpired; Examples:

- 16 years or older can umpire 15U and lower games;
- 14 and 15 year-old's can umpire 13U and lower games;
- 12 and 13 year-old's can umpire 11U and lower games;
- 10 and 11 year-old's will ONLY be able to umpire 9U games

Only **Registered BBA players** will be reimbursed their clinic fee and only after they have umpired a **MINIMUM of 5 (five) spring season** league games for BBA. Reimbursements will be mailed out to the parents of umpires late August or early September.

Please do not hesitate to contact me if you have any questions.
